Itinerary

Day 1 Monday, 11/4 This tour begins aboard our deluxe motorcoach as we travel through California and Nevada's majestic countryside. Our afternoon attraction is a Windmill Tour to show us how wind power generation provides power to the Coachella Valley. See various exhibits and hear the latest technology in wind power generation, solar generation, and natural gas power plants that keep the desert power going. Next we check into the Hilton Palm Springs Hotel. Early evening will be spent in downtown Palm Springs to enjoy the many cafes, restaurants, and shops.

Day 2 Tuesday, 11/5 This morning we will explore on our own the **Cabot Pueblo Museum**, a historical house Museum consisting of a large, Hopi-style pueblo filled with American Indian and Alaskan Natives' artifacts as well as contemporary artwork. The house is an example of the Pueblo Revival Style built by Cabot Yerxa, an explorer and activist who constructed the home out of things he found in the desert. We continue on to **Joshua Tree National Park** where the giant branching yuccas thrive on the sandy plains studded by massive granite monoliths and rock piles. This is the most intriguing and photogenic geological phenomena found in the California desert. We then arrive in the Amargosa Valley, Nevada just west of Death Valley National Park and overnight at the Longstreet Inn & Casino. B

Day 3 Wednesday, 11/6 This morning we head to **Death Valley National Park** famous for being both the hottest place on earth, and the driest and lowest place in North America. Our step-on guide will then introduce you to intriguing places such as Beatty, Devil's Corn Field, Mesquite Sand Dunes, Stove Pipe Wells, Harmony Borax Works, Badwater, Zabriskie Point and more. We then make our way to **Las Vegas, Nevada** where we spend the night in the "Entertainment Capital of the World." B

Day 4 Thursday, 11/7 Enjoy your breakfast on this final day of the tour. We'll then board our motorcoach home with memories of the majestic sights and nature of our adventure through the deserts. Meal: B
